The minimum deposit you can pay for this plan is £500 / €500 and the maximum term is 5 years

The total payable for the plan covers the essential elements of the funeral provided by the Avalon Appointed Funeral Director as detailed in these Terms and Conditions and described on the Plan Certificate. You secure these products and services at the price agreed today and if these services increase in the future, your plan secures them at no extra cost to you or your representatives providing the funeral is carried out by an Avalon Appointed Funeral Director. Any services not mentioned in this plan may incur a charge at time of need if your representatives request them.

3.2 Disbursement allowance/contribution

Repatriation Cremation (Cyprus) Plan does not include a separate allowance for Disbursements. All of the services listed in the inclusions of this plan are included in the price you pay. Anything that is not included in the plan will need to be paid for at time of need.

3.3 Additional extras and contributions

You cannot add anything to this plan.

3.4 Special requests

Your plan can also feature your special requests that you will retain with your plan documents and passed onto the Funeral Director at the time of your funeral. Special Requests feature personal preferences for the day of the funeral such as:

- Dress code (colourful clothes, formal wear);
- Songs, hymns, readings for the service;
- Flowers or charitable donations;
- Alternative coffin to the one provided with the plan;

If your Special Requests incur a cost these will have to be paid for by your representative to the Funeral Director at time of need.

4. The Price of a Funeral

The Avalon Repatriation Cremation Funeral Plan (Cyprus) is priced at €7450. When you purchase an Avalon funeral plan, you lock in this price with us. It's important to note that we don't typically expect you to use the plan immediately. However, if you do require a funeral right away, the cost of this plan is comparable to the current average price of a funeral if you were to arrange it directly at the time of need.

At the time of sale, Avalon assigns your plan to a specific Funeral Director(s) and has negotiated a wholesale price for the various costs involved in providing your funeral. These wholesale costs vary depending on factors like region and plan type, but for this particular type of plan, the average wholesale cost is €5669 plus an annual adjustment to account for inflation, based on today's prices.

Unlike the fixed plan price you pay, the "at need" price for a funeral today is likely to increase each year due to inflation until the time you actually require the funeral. These wholesale costs to Avalon are also adjusted for inflation annually to reflect the changing prices in the industry.

Plan Name	Current retail price	Average wholesale price for plan type
Avalon Repatriation Cremation Funeral Plan (Cyprus)	€7,450	€5,669 + annual uplift for inflation
